PRIVACY NOTICE

We consider it important to keep your personal information safe and secure. Maintaining your trust and confidence is at the core of our business. We value the privacy of the information you have entrusted to us concerning the funeral, cremation, or cemetery services we provide to you and your family. This privacy notice is being sent to you on behalf of one or more subsidiaries of Service Corporation International (“SCI”) (collectively referred to herein as “we” and “affiliates” of each other) that offer pre-need or at-need financing (either directly or as an insurance agent, as described below). Although these SCI subsidiaries operate as separate companies, the treatment of nonpublic information by each of them is consistent and adequately described by this notice. SCI’s subsidiaries (including regional entities operating under the Dignity Memorial® or National Cremation Society® brands) are listed each year in SCI’s Annual Reports, which are available through our website at www.sci-corp.com.

In the process of providing our financial products and services to you, such as advance (pre-need) trust arrangements or time-of-death financing plans, it is necessary to collect and maintain nonpublic personal information about you, such as your Social Security number, name, address, transaction history, bank account information, and credit-related information such as credit scores. We collect this information when you apply for financing, from any contract with us that you sign, from processing or administering your financial transactions, and occasionally, from credit reporting or collection agencies.

In addition, we sometimes act as insurance agents for a third-party insurance company in connection with advance (pre-need) insurance-funded arrangements. In connection with those services, we may collect information requested by the third-party insurance company in order to process your insurance contract, such as the (i) Social Security number, name, address, email address, date of birth, phone number, pertinent health condition and medical history, and details of any other life insurance held by the insured individual; (ii) Social Security number, bank account information, credit card information, name, address, and e-mail address associated with the person paying for the insurance; and (iii) beneficiary designations. We forward that information to the third-party insurance company along with information that we may have concerning the related arrangements for services that you have made with us. We may share with our affiliates the transaction and experience information associated with your insurance enrollment or policy in order to provide you with the desired death benefit services and/or for marketing purposes.

Consistent with our respect for your privacy:

- We will not disclose nonpublic personal information about our current or former customers and consumers to any affiliates or

non-affiliated third parties except as described below, or as permitted by law (e.g., for us to provide financial, funeral, or other services requested or authorized by you, or to respond to a government subpoena or protect against fraud).

- We may share nonpublic personal information we collect about your transactions and experiences (but not information about your creditworthiness) for everyday business use and marketing purposes by our affiliates who offer funeral, cremation, and cemetery-related products and services. We may share nonpublic personal information with outside business partners who provide support services for us or marketing services on our behalf. We also may share nonpublic personal information with financial institutions with whom we have joint marketing agreements with respect to the joint offering, endorsement, or sponsorship of financial products and services. We require any such affiliates, business partners, and financial institutions to refrain from using or disclosing any nonpublic personal information for any purpose other than the one for which it was received.
- We limit access to nonpublic personal information to those employees and representatives who need to know such information in order to serve you. We maintain physical, electronic and procedural safeguards to protect the security of your nonpublic personal information as required by law.

You may prohibit or “opt out” of certain of the sharing of your nonpublic personal information described above. In particular, you may opt out of our sharing of information concerning you with our affiliates for such affiliates’ marketing purposes. To do so, you should either call us (toll free) at **1-800-894-2024** or e-mail us at: privacynotice@sci-us.com. We will refrain from sharing your information with our affiliates for marketing purposes for thirty (30) days in order to allow you to opt out of such sharing.

If you limit sharing or disclosure of information for an account you hold jointly with someone else the limitations you select will apply to all persons on the account unless you direct otherwise, using one of the methods set forth in the preceding paragraph.

Please note that, in the event you request that we obtain financial or other products and services for you from a third party (including any third-party insurance company for whom we act as an agent), such third party’s use of your information will be subject to their privacy policy as disclosed to you by them.

It is an honor to serve you. We thank you for being our customer, and we will continually strive to meet your needs. We will also strive to reply promptly to your questions and comments.

For questions regarding this Privacy Notice, please call our **Customer Service Department at 1-800-894-2024**.

OUTER BURIAL CONTAINER PRICE LIST

These prices are effective as of January 20, 2014, but are subject to change without notice.

Federal Trade Commission (FTC) Disclosure

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
