As individuals we often times view ourselves as insignificant or not as important as others.

However, truth stands firm that every life has meaning.

The vital importance of a funeral allows those we love to mourn our passing by paying tribute to the very significance our life has upon others.

Meaningful ceremonies facilitate recognition of the profound impressions we leave upon the hearts of those we love. We understand the difficulties associated with losing someone you love.

You have our complete dedication in serving your family above and beyond your expectations at all times.

We will continuously strive to educate and provide guidance along the way to ensure that your family received the greatest level of comfort, care and ultimate peace of mind.

It is both an honor and a privilege to be of service to you and your family.

We understand our obligations and will never deviate from the highest, most ethical standards of care.

## **Professional Services**

Basic Services of Funeral Director and Staff. NON - DECLINABLE \$1,695.00

Our fee for the basic services of funeral director and staff includes, but is not limited to, staff to respond to initial request for service; arrangement consultation with family and responsible parties; arrangement of funeral; preparation and filing of necessary authorizations and permits, recording vital statistics; preparation and placement of obituary notice; and coordination with those providing other portions of the funeral, e.g., cemetery, crematory, vault companies and others as required. Also included in this charge are overhead expenses relative to our facilities such as professional licensing, legal and accounting fees, insurance, building and utility expenses, parking lot and grounds, maintenance, taxes, equipment, furnishings, inventory costs, record keeping, and secretarial and administrative expenses.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

Embalming NON - DECLINABLE 8775.00

This service provides professional care and preparation of the deceased. Memorial Mortuaries' highly trained and exceptionally qualified staff use modern, scientific methods to cleanse, sanitize, embalm, and prepare for viewing and/or disposition of the deceased body, and to safely ensure public health and proper discharge of infectious materials and contaminants. All procedures are in strict compliance with OSHA guidelines. Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.
