**GENERAL PRICE LIST**

These prices are effective as of February 1, 2013.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. **However, any funeral arrangements you select will include a charge for our basic services.** If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

**BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF ..... \$1,395.00**

Our services include: conducting the arrangements conference; planning the funeral; consulting with family and clergy; shelter of remains; preparing and filing necessary authorizations and permits; and coordinating with the cemetery or other third parties.

This fee for our basic services will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving of remains.)

**EMBALMING ..... \$ 750.00**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Utah law requires burial, cremation, or refrigeration within 24 hours of death if embalming is not done. If a body is being taken out of state, or is being transported by a common carrier, embalming is required.
