

STARKS
FUNERAL PARLOR

A Home For The Bereaved

GENERAL PRICE LIST

These prices are effective March 1, 2014 but are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

SERVICE OFFERINGS

You have the right to itemized services—that is, you may select only the goods and services you need (to do so, refer to Itemized Services section). For the sake of convenience, we have put together commonly selected services in the four offerings below. Funeral & Memorial offerings do not include our signature wake service. If your family decides to take advantage of this memorable & exclusive evening experience, the appropriate fee (see Traditional Wake Services) will be added to your package offering. Any other additions to the items included in an offering will require payments in excess of the package price. Unused services that are offered within the package will not result in a credit or discount.
